Day Care - Registration for classes 1 - 7

We offer afternoon care for students of grade 1 to 7.

During the day care hours while having the COVID restrictions in place, our staff will come to your child's class. They will either bring projects or offer various activities and games. Whenever it is not too hot outside, the children may also play outdoors. We will also offer homework supervision during set hours depending on your child's timetable. At this point your child does not need to be registered for homework assistance.

There is **no charge** for supervision for the 1st till 7th lesson. However, please note on the registration form if you are planning to pick up your child before the 7th or before the 9th lesson.

Participation in the afternoon care in 8th and/or 9th lesson is subject to a fee! Depending on the number of days of the week booked, an amount of **900 - 3000 AED (semi-annually)** will be charged.

Children who have to wait for the 8th period due to their timetable (e.g., Förder and DaF lessons) can attend the afternoon care free of charge. Participation in an AG (ECA) (in the 7th or 8th hour), on the other hand, does not entitle the student to free afternoon care during the other of these two lessons.

In exceptional cases, you can register your child for a separate day of afternoon care. In this case a **daily rate of 50 AED** will be charged. Please inform the Head of Day Care as early as possible, so that, if necessary, another staff can be scheduled.

Afternoon care can only be offered if at least three children of a bubble are registered.

Please be sure to cancel your child's participation, if he or she is absent due to illness or cannot attend care for other reasons!

You can reach the Head of Day Care during the week via email: ganztag@gisad.ae.

You may also contact her from 9.30am – 1.30pm on the mobile no.: 054 405 88 63.

It is possible to set the days of day care for 1-4 days a week with a price scale.

1	900	900
