

## Winter and New Year in the Mediothek

Dear parents, students and kindergarten children,

It's almost Christmas time and we have already decorated our Mediothek and put up the eagerly awaited mailbox for letters to Santa Claus.

### NEWS

We now have a small selection of tiptoi® books and pens. tiptoi® products are ideal for learning and vocabulary building, especially for children who have no other German support at home. The books feature stories, songs, quizzes, etc. and interact with your child. For those families who have pens at home, we are happy to load them with the respective audio files. For families who do not have the pen, it can be borrowed from us. However, a consent form must be signed in case the pen is lost or damaged. Please email [mediothek@gisad.ae](mailto:mediothek@gisad.ae) before borrowing so this form can be forwarded and signed.

If you still have old tiptoi® books at home that you would like to pass on, we would be very happy to receive them so that we can increase our assortment.

## DONATIONS

We would like to thank Dr. Fareed's family and the Schuster family for their donations of books. The books are a very nice addition to our assortment.

## DIGITAL CHRISTMAS CALENDER

Unfortunately, since the school vacations start quite early in December, we won't have much time to read to the children in individual groups. However, we have come up with a little surprise for that. We have recorded a [digital Christmas calendar](#). Behind each door is a Christmas story read by us.

You just have to click on the respective door and follow the instructions. Then an audio file will open and the reading will start. There is also a little video hidden behind one door.

## POLL

In preparation for the new year, we would also like to hear from you. What would you and your children like to see in the Mediothek? How can the Mediothek be expanded even further to encourage children to read and learn while having fun? For this we will also start a survey after the vacations in the next newsletter.

## BOOK ORDERS

For book orders please send an email to [mediothek@gisad.ae](mailto:mediothek@gisad.ae) and the ordered books, if available, will then be handed out to your children.

We wish you and your families a nice festive season and a very good start into the new year.

Thank you and stay healthy

Your Mediothek Team - Miriam and Melanie
