Our book fairy Skippy has two ideas for you:

Use your shelf ("Fach") in the classroom!

Every child has a shelf („Fach“) in their classroom. Here, you can store all your school materials. Only take home what you need for homework or repetition. Otherwise, your bag will be too heavy.

Check your pencil case every weekend!

Pens and other stationary easily get lost or messy. Therefore, check and sort your pencil case every weekend, to make sure you have everything ready for the next week.
